b) Grievance Redressal mechanism for Faculty, Staff and Students

The institute has set up a Grievance Redressal Cell to look into the grievance of the students, faculty members and staff members. The cell consists of senior members of faculty, closely interacts with all the students, faculty members and staff members, and thus facilitates effective redressal of grievances of any kind. As the administration is highly transparent and the communication flows freely at a faster pace, hardly any grievance in the campus is shorted out immediately. The details of the members of the Grievance Redressal Cell are given below.

h) Campus placement in last year with minimum salary, maximum salary and average salary

We at R P Sarathy Institute of Technology believe that our students should be able to adapt, adopt and become adept in their technical and life skills to survive in the industry. Hence training for hiring starts at the very beginning in semester one itself. Since in companies hiring is based on performance, our placement training is also performance based. The students are trained by highly qualified corporate trainers and are evaluated every semester by Merittrac a third party assessor specializing in aptitude testing and evaluation.

Our Placement Training Syllabus consists of both Aptitude and Soft skills. Our students draw their own 'Aspirations Chart' so that they can present their Achiever Pattern in their resumes. This includes academic credentials, smart thinking, communication skills, problem solving ability and technical competencies. It also has to do with how others have recognized the candidate's personality.

Training and Placement Cell is functioning with a Placement Officer, Senior Staff members from each department are coordinating the Training and Placement activities for the sole benefit of our students by providing placement, career guidance, in plant training in the various industries for all programmes.

Cultural Activities:

The Students are encouraged to participate in many cultural activities during cultural day celebrations. The cultural club conducts various competitions for the students like Oratorical, Essay writing, Inter and intra Yuva culturals, Clubs, Musical evening etc. Regular cultural activities will be conducted through clubs and students expose their talents in Music, Dance, Quiz, Adzap, Oratorical, Essay Writing, Dubs mash, Dumb 'C', etc on NFEST- Annual cultural day in which the celebrities are invited. The best student performers are identified and sent for inter college competitions and other organizations. Hostel Day is celebrated with cultural program every year

Tamil Mandram:

Tamil mandram conducts many programs such "AMILTHAM" to bring out the latent talent of students to develop public speaking & communication skills. Reputed Tamil orators are invited to deliver speeches which in turn create interest in the students to develop their oratory skills.

h) Soft skill Development facilities:

The placement cell has an integral training syllabus for students from the First semester. It started with outsourcing the placement training but now has a committed in-house placement training team for both aptitude and soft skill training. It ensures that the students are well trained and prepared to face their campus interviews effectively. The Placement cell has adopted an effective communication system on Whatsapp groups to keep the students informed about potential job opportunities and guide them from time to time. The academic and placement processes are complemented with a diverse array of opportunities provided to the students in enhancing their knowledge beyond academics. Various conferences, guest lectures, workshops, summit, celebrity chats, industrial visits, internships and in-plant trainings are organized throughout the year, by which the students are exposed to the outside world work ethics and all the recent developments and innovations.

To bring out the concealed talents of the students, every year the institution conducts cultural day and sports Day. This throws light on various arts and thus pushes the students to excel in Co- Scholastic areas as well. The institution has provided the best possible facilities in terms of infrastructure for teaching, learning and sports activities to make a student complete in all dimensions. The Classrooms, Laboratories, Smart classrooms, Group discussion halls, Library, Solved Question bank for all the subjects and Administrative office are highly conducive to the overall academic environment. The institution hosts fully equipped grounds for athletics, indoor badminton courts, Cricket ground and volleyball courts. As a result, students have performed well in inter college sports events and won many medals.

l) Internal Continuous Evaluation System and place:

Continuous Internal Evaluation:

In the beginning of the academic session, the students are apprised about academic calendar and the same is uploaded on college website and displayed on notice boards at strategic locations. Each course is evaluated in two parts: Internal Assessment test (IAT) and External or End-Semester Assessment (Anna University Semester Examination). As a part of assessment, three internal tests are conducted. The schedules of internal assessments are communicated to students and faculty in the beginning of the semester through

Institute's Academic Calendar which is prepared based on the University Semester Planner. The internal exam time table is displayed on the notice board a week in advance. Exam question papers are framed to adhere to University Pattern. There are 5 Course Outcomes (COs) for each subject. The first internal test question paper is prepared to cover the first two COs, second internal test covers the next two COs and the third internal test covers the final CO. The subject handling faculty prepares a question bank based on Bloom's Taxonomy covering all the topics. The Department Internal Exam coordinator, under the guidance of the HOD, analyses the standard of the question bank.

Evaluation Process:

Answer scripts of IAT are evaluated and marks are displayed within one week of the internal exams. Answer Key is also made available to the students and discussed in class. Results of internal tests are uploaded from time to time in affiliating University's web portal, from which internal assessment is compiled by the affiliating university. Students can view their attendance and internal test marks in Anna University web portal. The performance of students is informed to their parents by Post/phone call. Students are free to interact with teacher to resolve grievances if any, regarding assessment. Complete transparency is maintained in the system of internal assessment.
